If you have already submitted the above documents to a different university, make sure that they are being transferred to the above named address to validate your enrolment.

Important conditions governing the enrolment

Your attention is focused to following conditions.

1. Enrolment

You should enrol for the Academic year by submitting above mentioned documents (From 1 to 11). The date to report to the faculty will be informed later.

2. Deferment of Admission

A Student may defer his/her admission only for one year for the reason such as ill health which would incapacitate him/her from following the course. Such request for deferment must be made in writing supported by relevant documents. Application for deferment can be made only after the enrolment.

3. Late request for enrolment

It must be noted that a student who has failed to enrol or failed to request for deferment of enrolment on or before deadline may not be considered for enrolment.

4. Medical Certificate

You may obtain your medical examinations report from a government hospital. However, if you wish to obtain the certificate from a private medical centre, then the certifying doctor should be an SLMC registered doctor.

For further clarifications on enrolment, please contact (during weekdays, from 8.30 a.m. to 4.00 p.m. while the university is operated under the normal situations)
